August 25 - Council Agenda Meeting 9 am

August 31 - Brush/Limb Pickup

Help Eliminate F.O.G.

July 29, 2020

Ways to Stay Safe

Help save yourself some worry about what could be happening at home by protecting it from theft and damage. Here is a checklist suggested by Community Officer, Zach Williams:

ALWAYS:

- Lock all windows and doors - close and lock garage door. Lock vehicles; do not leave valuables inside of vehicles.

If you are going out of town:

- Arrange to have the newspaper and mail held until your return, or have them picked up by a trusted neighbor.
- Arrange to have your lawn mowed while you are away. Ask a neighbor to set out your trash on collection day and then retrieve empty cans and recycling bins the same day.
- Let a trusted neighbor know you will be away and have them keep an eye on your home. It is a good idea to leave your vacation address and telephone number with a neighbor so you can be reached in case of an emergency.
- Never leave your house key hidden outside your home.
- Set timers on interior lights.
- Make sure to unplug televisions, computers and appliances susceptible to lightning and power surges.
- Advise your alarm company and local

F.O.G. = Fats, Oils, and Grease that get into the Town sewer system.

Properly discard fats, oils and grease.

In an effort to protect pipes and keep costs low:

- Don't put oil, grease or food scraps down the drain. Instead, place them into trash bins or covered collection containers.
- Don't run hot water over greasy dishes, pans or fryers. Wipe the grease off with a paper towel before washing dishes by hand or in the dishwasher.
- Don't rely on a garbage disposal. Instead, use a strainer in the sink to collect excess food particles.
- Don't use chemicals to remove grease clogs; they can damage the piping system.

Fridays 3:30 - 6:30 pm
190 NC Hwy 801 South

community officer if you will be gone for an extended period.

- Store jewelry and valuable items in a safe-deposit box.
- Arrange for the care of pets.

A POP-UP RESTAURANT WITH A PURPOSE

What could be better?

We all need some moments of pleasure right now, and we all want to help those around us who are unable to provide enough food to feed their families.

Providence Catering (a program of the Second Harvest Food Bank) and WinMock at Kinderton are expanding their partnership by opening a Pop-Up Restaurant on weekends, beginning the evening of July 31st.

Our goals are simple: provide funds to feed our hungry neighbors, provide work for Providence team members, and provide you with a dining experience in a safe and healthy environment.

Chef Jeff Bacon and his culinary team have developed a special "Most Good Dinner" menu featuring grill-inspired entrees along with a children's menu and drink packages. WinMock will offer indoor and outdoor seating on their scenic terraces and abundant loft with plenty of space for social distancing. Our team of catering and event professionals is specially trained in COVID response service, so that you can dine with confidence.

This Pop-Up dining experience is created by the innovators who brought you HEARD Collaborative Café and Providence Culinary Training program. Proceeds from this dinner will go to support Second Harvest Food Banks ongoing COVID response in our community.

It's the "MOST GOOD YOU CAN DO WITH A
FORK!"
