## Mayor's Message

As we approach Easter 2021, I am reflecting on my Easter 2020 message to you. In last year's message, during the early stages of our collective COVID-19 experience, I spoke about how the Easter celebrations would look different, that we would be embracing new ways of worshiping, and that I was heartened by the many stories of people's kindness, resilience, and commitment.

We have all been through a great deal during this past year, but folks across our community have been selfless, hopeful, and adaptable. And although our challenges are not fully behind us, I am optimistic for our town, and believe we have much to look forward to. We are not yet at the top of the hill, but we can see it from here.

We are making good progress in COVID-19 vaccinations across our county and state. Earlier this week, our [Davie County Health Department](#) announced that all

As we continue to look forward for our town, we are planning a number of activities and events throughout the year. We have announced our [Summer Concert Series](#), which is scheduled to begin in August.

Additionally, we will be celebrating a couple of noteworthy community anniversaries this year - [Bermuda Run Country Club](#) turns 50 this year, and [WinMock Event Center](#) is celebrating 10 years.

The new [Rise Indoor Sports](#) Center is scheduled to open in the next few months. Stay tuned for more news over the coming weeks and months as we continue to work to make ours such a special community.

Throughout 2020, I signed off my messages with the statement: "*We are in this together, and together we will emerge stronger.*"

adults who want a vaccination would be eligible at the county's drive-thru clinic. Everyone associated with the county's vaccination process continue to work with care and efficiency to create the best possible experience for us as we line up to get our shots. Thanks to all of them for their tireless efforts.

Today, I will say: "We are in this together, and together we are emerging stronger."

Have a safe and Happy Easter Everyone!

Rick Cross

## Safety Notice

We all share the responsibility to make sure our town streets are safe for everyone, including pedestrians and bicyclists. Safe places to walk and bike are important for supporting active,

vibrant communities.

Please be considerate of others, whether you are walking, biking, or driving. Obey the speed limit! And remember, you must be a licensed driver to operate a golf cart on town streets.
