TOWN OF BERMUDA RUN  
COMPREHENSIVE PLAN

The Town of Bermuda Run began the process of updating the Comprehensive Plan in February of 2022. The Comprehensive Plan, which was last updated in 2017, sets goals and provides strategies for the character and identity of the town, economic development, land use, infrastructure, and public services.

From March 20 through May 1, 585 people participated in the online survey, and on May 25, approximately 65 people attended the public input meeting held at the WinMock Granary.

The Planning Board reviewed the background research, survey, public input, and the results of a Town Council / Planning Board visioning workshop to guide the development of the draft Plan.

The Planning Board recommended the draft Plan to Town Council in January 2023. The Town Council has reviewed the draft Plan, which is available for review by [clicking here](#). Public comment period on the linked website will be accepted during the next 30 days.

Hard copies of the DRAFT Comprehensive Plan are available at Town Hall for review.

A public hearing to adopt the update to the Comprehensive Plan is scheduled for the **April 11, 2023** Town Council Meeting.
