Message from Mayor Rick Cross

We are now into November, and the weather is beginning to cool and the leaves are starting to fall, I want to take a moment to update you on the latest happenings across our town.

First, I want to remind everyone that [Election Day](#) for election of two Town Council members and the Mayor will be next Tuesday, November 7th at Hillsdale Baptist Church. This is a crucial opportunity for all of you to make your voices heard and play a vital role in shaping the future of our community. With so few voters in our municipal elections, each vote is important. For example, in our town's last municipal election in 2021, nine votes determined one of the Council seats. Please Vote!

On behalf of our town, I'd like to extend my deepest thanks to all the candidates who have expressed their willingness to serve in these important leadership positions. Their dedication to our town is commendable.

Our *Bermuda Run Vision Committee* has been hard at work, and are currently focused on some key initiatives impacting our community. A bit of background - This group focuses on special projects important to our Town and community, furthering the goals outlined in our town's Comprehensive Plan. Their efforts are intended to enhance and continue to support Bermuda Run as a vibrant community of vision.

I'm thrilled to let you know that the *Flags at the Blue Heron Trail* project is well underway. Situated just at the Highway 158 round-about is the newly constructed Blue Heron Trail. The Flags at the Blue Heron Trail will honor our community with a stately three-flag overlook. This project will enhance the beauty of our town and create a sense of unity among our residents. For more information on how you can become involved, click on the

[Flags at the Blue Heron Trail](#) link. The Bermuda Run Vision Committee has been tireless in their work to bring this effort to life.

Also, mark your calendar for our third annual "Christmas in the Town of Bermuda Run" which will take place in our Town Square on Sunday, December 3rd, from 2:00 PM until 5:00 PM. This festive event promises to be a wonderful chance for our community to come together and celebrate the holiday season. We are always in need of more volunteers to make this event a success. If you would like to be involved, please reach out to volunteer coordinator Gini Brannon at ginibrannon@gmail.com. Thanks to our Bermuda Run Vision Committee for making this annual event a wonderful tradition.

As we continue in our commitment to improving the quality of life for our residents, we are dedicated to connecting pedestrian pathways across our town. In the short-term, we are actively working on connecting our current Blue Heron Trail to the Bahnsen Pedestrian Bridge over I-40. We're excited about the potential this project holds and look forward to sharing more news with you in the near future.

Additionally, we are actively seeking solutions to create pedestrian pathways in portions of the Bermuda Run East neighborhoods. With sidewalks and pathways already in place in our other neighborhoods, we are diligently working to find viable alternatives as part of our ongoing effort to fulfill our vision of a fully connected pedestrian community.

I want to thank all of you for your continued support and involvement in making Bermuda Run a wonderful place to live. Together, we can make our town even more vibrant and connected. Please don't hesitate to reach out if you have any questions, suggestions, or concerns. Your input is essential to our town's progress.

I appreciate all with whom I have been in contact — phone, text, email, and in-person. Thank you for your time and willingness to engage. I ask that you continue to reach out to me — my phone/text is 336.391.1992 and my email address is rcross@townofbr.com.

I look forward to seeing everyone soon.
Rick Cross
