Message from Mayor Mike Brannon

Recently I had the opportunity to partner with the **Davie Respect Initiative (DRI)** to recognize two young people, Emma Martin and Sean Lane (both from Oak Valley), who were selected by a panel based on their idea/project aimed at furthering respect. This ceremony was held at Town Hall and included the award recipients, family/friends, and representatives from DRI.

It was a pleasure to be a part of this program and to see the positive influence coming from the youth of Davie County. Congratulations to Emma and Sean, and thank you to the leaders of DRI for recognizing the positive work of the youth in our communities!

I also want to congratulate our very own **Davie Medical Center** for another year of being rated among the [Top 10 Small Community Hospitals in the US](#). What an incredible honor to have a hospital located within our small Town that continues to strive to be the best at serving their patients with high quality healthcare.

Not only are we fortunate to have this outstanding hospital in our Town, I also want to thank the many other health providers who provide outstanding services to those who live in our Town and beyond. Thank you to each of them for choosing Bermuda Run as their place of business!

Also, each year we invite Sheriff JD Hartman to come speak to the Town Council to provide a **Law Enforcement Update** from the Davie County Sheriff's Department. This update allows Sheriff Hartman to share important data/statistics on what his department is observing in our area. Each year these updates provide valuable information to our residents, businesses and visitors. Please consider joining us at our June Town Council Meeting on Tuesday, June 10th at 6:00pm at Town Hall.

The Town is thrilled to announce a new direction for our community events this year! We're shifting from our traditional concert series to a family-focused lineup of events designed to engage residents of all ages. These events are perfect opportunities to gather with neighbors, enjoy live entertainment, and experience the best of what our community has to offer.

Get ready for **Food Truck Fridays**, where a rotating selection of food vendors will serve up delicious eats, and **Food & Brews Festival** featuring local craft beverages, great food, and fun for the whole family. Planning is also underway for a **"Doggie Strut"** in partnership with the Humane Society of Davie County this fall.

We're proud to be working closely with our community partners to make these events better than ever. Stay tuned for a full calendar of upcoming activities to our Town Green and Blue Heron Trail and be sure to bring the whole family out to join the fun!

As I mentioned in previous messages, the Town will be holding **Municipal Elections** on November 4th as we have three Town Council seats with terms ending in 2025. As noted to the [Davie County Elections website](#), the candidate filing period runs from July 7-18, 2025. If you meet the filing requirements and have the time, energy and commitment to serve a four-year term as a member of the Town Council, I encourage you to consider serving this important role. Reach out to me if you would like discuss this opportunity.

As a reminder, our monthly Town Council meetings are recorded and are available on the Town's website. I look forward to connecting with you in person, by phone, or via email. Please reach out to me if you would like me to speak at your small group gatherings or at any organized events. I am happy to share town news, answer questions, and certainly listen to your ideas or concerns. You can reach me by email mbrannon@townofbr.com or by phone 336-775-7633.

Reporting Street Light Issues

Is your streetlight out or damaged?

Residents are encouraged to report outages directly to Duke Energy. Duke Energy maintains street lights in the Town of Bermuda Run.

Using the interactive link below allows you to report the outage at your convenience and enables Duke Energy to respond to you with any questions. If possible, please write down the pole number to help speed up the repair process. All repairs are done by Duke Energy, and they will send emails on the status of your request if you choose to provide your email.

If the streetlight doesn't show on the map, click in the area where the light is located, and it will allow you to make a report.

<https://www.duke-energy.com/customer-service/request-light-repair>

Don't have access to a computer or the internet? Feel free to contact Town Hall at 336-998-0906 and we will report the outage for you.

Reporting Hazardous Conditions:

If there is a hazardous condition such as a wire hanging low or lying on the ground, please call Duke Energy immediately at 800.POWERON (800-769-3766).

Remember, the first rule of safety is not to touch a power line or anything touching a power line, such as tree limbs, tools, and toys. Even power lines that have fallen may be dangerous and should not be moved or disturbed.
